Dear Parent/Carer

6th Form Open Evening

Our 6th Form Open Evening for this academic year takes place on Wednesday 4th October from 6:30pm. This is an opportunity for you and your son or daughter to find out about some of the options available to them at Post 16. Most of our students choose a traditional progression route and prepare to go to University but we are finding an increasing number of students are exploring alternatives, for example apprenticeships. At 6:30pm I will share our different progression routes available at Post 16 and explain how this may prepare students for either route beyond sixth form.

6:30pm: Presentation '6th Form Offer' in the chapel
7:00pm - 8:00pm: Subject Fair

The aim is that you will gain an overview of what 6th Form can offer your son or daughter, speak to individual subject staff about the requirements for each course and have a look around our sixth form facilities. I will also be sharing information on our application process. In addition, guidance material is available on our website for your reference should you need any further information. Staff will be available throughout the evening to answer any questions should you need any further information.

I would be grateful if you could let me know if you are able to attend this evening either by completing the reply slip on the attached sheet or via email kay.hodgetts@wolverley.worcs.sch.uk

I look forward to seeing you on the evening of Wednesday 4th October 2017.

Yours sincerely

K Hodgetts
Assistant Head – Pastoral and 6th form
